From the Qur'an:

"Indeed this, your religion, is one religion, and I am your Lord, so worship Me."

"And [yet] they divided their affair [i.e., that of their religion] among themselves, [but] all to Us will return."

"So whoever does righteous deeds while he is a believer - no denial will there be for his effort, and indeed We [i.e., Our angels], of it, are recorders."

"And it is prohibited to [the people of] a city which We have destroyed that they will [ever] return"

"Until when [the dam of] Gog and Magog has been opened and they, from every elevation, descend"

"And [when] the true promise [i.e., the resurrection] has approached; then suddenly the eyes of those who disbelieved will be staring [in horror, while they say], "O woe to us; we had been unmindful of this; rather, we were wrongdoers."

(*Surah Bani-Israel, Verses 92 - 97*)

Selected Hadith:

Abu Huraira (RA) reported Allah's Messenger (SAAW) as saying: "By Him in Whose Hand is my life, a time would come when the murderer would not know why he has committed the murder, and the victim would not know why he has been killed."

(*Sahih Muslim; Book 41, Number 6949*)

All praise is due to Allah (SWT), and peace & blessing on his noble Messengers (AS), in particular, on the last of them all the blessed Prophet Muhammad (SAAW).

The Biden administration may be looking to overturn many of the Trump administration's policies – but not when it comes to Israel. As the new administration has taken over Washington with talk of justice, respect and diversity, however, when it comes to Israel-Palestine the news is not so encouraging.

Joe Biden's foreign policy team says it wants to return to the Iran deal, but reassures the Israel lobby that that won't happen any time soon, and when it comes to actual Palestinian rights or freedom (the "peace process"), it clearly wants as little friction with the Israeli government and Israel's friends in Washington as possible. Biden's Secretary of State, Antony John (Tony) Blinken spent 4-1/2 hours recently giving testimony to Senate Foreign Relations Committee, and he never mentioned occupation, Palestinian human rights, or even illegal Jewish settlements.

Blinken spent a lot of time affirming Donald Trump's policies in Israel! Notably in his very respectful exchanges with Senator Ted Cruz (Trump's best buddy), who you would think Blinken might treat with some crust because he tried to deny Biden's victory, the following exchange took place:

Cruz: A final question because my time has expired, Do you agree that Jerusalem is the capital of Israel and do you commit that the United States will keep our embassy there?

Blinken: Yes and Yes.

Blinken repeatedly praised Trump policy on normalizing relations between Israel and the UAE, Bahrain, Morocco and the Sudan as opening a pathway to 'Palestinian peace'. "I think there are a number of things from where I sat that the Trump administration did beyond our borders that I would applaud.... The Abraham Accords, absolutely... [T]he work that was done to push forward on normalization with Israel, I applaud. It makes Israel safer, it makes the region safer, it's a good thing. I would hope we can build on that."

No wonder South Carolina Senator and a perpetual pillar of the US Deep State Lindsey Graham called Blinken an "outstanding choice," and no wonder Blinken played ball with Graham in the following exchange:

Graham: Do you still consider Iran the largest state sponsor of terrorism?

Blinken: I do.

Graham: Do you consider Israel a racist nation?

Blinken: I do not.

Graham: Good start!

The two men were responding indirectly to Rep. Rashida Tlaib, who said that morning on 'Democracy Now' that Israel is an "apartheid state" and a "racist state" because it had refused to give coronavirus vaccine to occupied Palestinians even as it inoculated the largely-Jewish population in Israel.

Tlaib is of course echoing a couple of new human rights reports labeling Israel an apartheid nation, but Jonathan Greenblatt of the ADL and the rest of the Israel lobby are in deliberate denial.

Jeremy Slevin of Rep. Ilhan Omar's staff had a pointed response: "Human rights advocates – from B'Tselem to the UN Human Rights Council to Jimmy Carter – have all used the term apartheid to describe the illegal occupation of Palestinian land. Yet somehow

(continued on page 2)

the ADL only calls it “incendiary” when it comes from a Muslim woman.”

Additionally, in the first official contact between the new US administration and the Israeli government, President Joe Biden’s National Security Advisor Jake Sullivan vowed to his Israeli counterpart that Washington will “closely consult with Israel on all matters of regional security”.

We must bear in mind that Israel has announced even more illegal settlements in recent days, and Blinken was careful not to say a word about that. Though he went on and on about Biden’s “resolute” opposition to Boycott, Divestment and Sanctions. “It unfairly and inappropriately singles out Israel, it creates a double standard, and a standard that we don’t apply to other countries.” As if the US accords other countries the “special relationship” it has with Israel.

Moreover, the fact that Biden has named three Israel-supporting Jews to top positions at State (Blinken, Wendy Sherman, Victoria Nuland) indicates that he wants the liberal Zionist lobby on his side in doing so.

For all intents and purposes Secretary of State Tony Blinken is prepared to give Israel a blanket cover and the clear signal from his recent testimony to the Senate Foreign Relations Committee is that President Joe Biden will go all out in support of Israel.

Palestinians are largely on their own, resistance their only option, staying the course no matter the long odds against them. The history of Occupied Palestine is the triumph of wrong over right, a festering injustice, an entire people harmed, no end to their suffering in sight, no interest in their rights and welfare by the world community.

Unfortunately, the “Muslim Ummah” in general, is acting like an ostrich with the head buried in sand. Utterly indifferent and completely powerless to the plight of the Palestinians, they are “satisfied” that their own nation states are not in any imminent danger, at least for now. It is, truly a pity!

Signing off...

Raza ul Haq (Editor)

Why Israel ought not to be recognized

Because:

- The last and final book of Allah (*Exalted be He*), the Holy Qur'an, in the very beginning (in Surah Al-Fatihah) brands the Jews as those who have earned Allah's (*Exalted be He*) anger and wrath.
- Allah (*Exalted be He*) decrees in verse 82 of Surah Al-Maida: “You will surely find the most intense of the people in animosity toward the believers [to be] the Jews and those who associate others with Allah...”
- Only Muslims have the claim to the three holiest places in the world, viz., Makkah, Madinah and The Holy Land (Jerusalem). If Pakistan recognizes Israel, then it will obviously have to recognize Israel's illegal occupation of the Holy Land (Jerusalem).
- The Antichrist (Ad-Dajjal) will make Israel his headquarters. He will ultimately be sent to hell at the hands of Prophet Jesus (*peace be upon him*) in an attempt to escape from 'Lud'. Lud (the Israeli city of Lod) is the place where Israel has built an airport (military base) today. Should we recognize the entity (Israel and Ad-Dajjal) with whom a war has been predestined for us and our future generations to fight?
- While commenting on the creation of Israel, the founder of Pakistan, Quaid-e-Azam Muhammad Ali Jinnah said: “Israel is an illegitimate child of the West” (Ref: <http://nazariapak.info/> and *Speeches, Statements and Messages of the Quaid-e-Azam, Vol IV, Yusufi, 1996.*)
- During his first visit to the United States of America, the first Prime Minister of Pakistan, Liaquat Ali Khan said in response to the offer of numerous financial incentives by Jews for recognizing Israel: “Gentlemen! Our souls are not for sale”. (Ref: *Address to the American leaders of trade and industry; Washington D.C., May, 1950.*)
- The first prime minister of Israel, David Ben-Gurion, while celebrating the Israeli victory in the 1967 Arab-Israeli war in Paris said: “Our real enemy and rival is Pakistan, because Pakistan is the only Islamic ideological country.”
- Israel had made several attempts to attack Kahuta from Indian soil. This has been publicly acknowledged and documented by a former foreign minister of Pakistan.
- If we make the gigantic mistake of recognizing Israel today, it will bind our hands and shackle us in the same way that it is strong-arming and bullying the Muslim countries of the Middle East.
- Israel has literally engraved and inscribed its real nefarious design on the forehead of its parliament (the Knesset) in the words, “Israel, your boundaries extend from the Nile to the Euphrates.”

Press Releases issued by Tanzeem-e-Islami

Date: 22 January 2021

Lahore (PR): “The conscious disregard and indifference of the new US administration towards the terrorism and deceit of India is deeply concerning.”

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement.

The Ameer remarked that an Indian anchor close to the ruling BJP has recently confessed that the Pulwama incident was an Indian False Flag. Just prior to that, the Ameer specified, an organization based in Brussels had unmasked the deception and treachery of India being perpetrated on a massive scale with the use of fake media as well as duplicitous penetration in international institutions. Moreover, the state-backed brutalities, cruelties and oppression of India against Muslims in Occupied Kashmir are no secret, he added.

The Ameer bemoaned that despite these clear proofs, the conscious disregard of the new US administration of Indian atrocities and crimes, while blaming and accusing Pakistan without any proof whatsoever, is a shameful and inexcusable display of obstinacy.

The Ameer concluded by asserting that there are a large number of aides of Indian descent in the administration of Joe Biden, who are furnishing him with false and misleading information about the real situation of our region, which will inexorably result in the outcome that the new US president would not be able to make informed and accurate decisions and the US would get further sucked into a quicksand that would unescapably lead to its further ignominy and downfall.

Date: 15 January 2021

Lahore (PR): “The atrocious bombing by Israel in Syria is tantamount to an open declaration of war.”

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement.

The Ameer lamented that Israel has martyred fifty-seven (57) innocent civilians in airstrikes on Syria. The truth is that Israel has become such a global terrorist and ‘bully’ that does not care in the least about any law, regulation or norm, and the situation has reached to such an appalling point that the ‘global powers and institutions’ have become completely indifferent, and altogether stopped condemning such brutal and inhumane actions of Israel.

Consequently, he remarked, Israel has virtually received a ‘free pass’ now to commit terrorist acts and wage wars on whim.

While expressing deep concern and anguish on the attitude of certain Arab states regarding Israel, the Ameer said that the Gulf Cooperation Council (GCC) countries, that have recently patched-up and resolved differences, appear to be increasingly becoming the supporters of Israel rather than providing support and assistance to their oppressed brethren and it appears as if they are deluded by the notion that by flattering and cheering-on Israel and USA they will be able to save their own rule and countries.
