From the Qur'an:

“So give the relative his right, as well as the needy and the traveler. That is best for those who desire the face [i.e., approval] of Allah, and it is they who will be the successful.”

“And whatever you give for interest [i.e., advantage] to increase within the wealth of people will not increase with Allah. But what you give in Zakah, desiring the face [i.e., approval] of Allah - those are the multipliers.”

“Allah is the one who created you, then provided for you, then will cause you to die, and then will give you life. Are there any of your "partners" who does anything of that? Exalted is He and high above what they associate with Him.”

“Corruption has appeared throughout the land and sea by [reason of] what the hands of people have earned so He [i.e., Allah] may let them taste part of [the consequence of] what they have done that perhaps they will return [to righteousness].”

(Surah Ar-Rum: Verses 38 - 41)

Selected Ahadith:

1- “Near the establishment of the Hour there will be days during which (righteous) knowledge will be taken away (vanish) and general ignorance (due to deception) will spread...”

2- “A time will come when a man will not care about how he gets things, whether lawful or unlawful.”

(Sahih Bukhari)

All praise is due to Allah (SWT), and peace & blessing on his noble Messengers (AS), in particular, on the last of them all the blessed Prophet Muhammad (SAAW).

Indulging in customary brutality, heavily-armed Zionist occupation forces stormed the Aqsa Mosque during night prayers on Friday May 7. The occupation forces violated the sanctity of this sacred space and barged inside the prayer hall with their filthy boots. They fired rubber bullets, tear gas and stun grenades at worshippers among them women and children leaving more than 200 injured. Scores of Palestinians were also arrested and at the time of compilation of this report, more arrests were taking place in the Sheikh Jarrah neighborhood of Al Quds (East Jerusalem).

The last Friday of Ramadan has special significance for Muslims. It also coincides with the International Quds Day that Muslims and others observe worldwide. Attacks by illegal Zionist squatters (aka settlers), aided and abetted by the occupation forces have escalated against Palestinians in recent weeks. In particular, they have targeted the Sheikh Jarrah neighborhood in the eastern part of Al Quds (East Jerusalem) that is close to the Damascus Gate of Al Aqsa Compound. The Zionist occupiers' aim is ethnic cleansing of Palestinian families from Sheikh Jarrah as part of their plan for the complete occupation of Al Quds (Jerusalem).

The Palestinian Islamic Resistance Movement Hamas has condemned the Zionist attack on worshippers in Masjid al Aqsa. On Friday (May 7), it called for Palestinian resistance factions in Gaza to be ready for any Israeli escalation at Al-Aqsa Mosque and the neighborhoods in Al Quds. Hamas hailed the people of Al Quds for their valiant resistance against Zionist occupation forces at the Damascus Gate, Sheikh Jarrah neighborhood and all villages and neighborhoods in the holy City. It urged Palestinian youth to continue the freedom struggle against the occupation. Hamas stated that the Israeli occupation settlers “Desecrate our holy places and attempt to force Palestinians at Sheikh Jarrah out of their hometown.”

Zionist organizations and illegal Zionist squatters (aka settlers), with the full support of the Israeli occupation forces, again broke into Al-Aqsa Mosque on the 28th of the holy month of Ramadan, defying the Palestinian people and the Arab and Islamic Ummah. The Palestinian resistance movement denounced the Israeli occupation forces and squatters for their criminal attacks on the Palestinian people, declaring, “It will not remain silent and will act in self-defense.”

Several Muslim countries have denounced the violent Israeli assault on Palestinian worshippers in al-Aqsa Mosque compound in al-Quds.

Turkey's Foreign Ministry also issued a statement saying it “strongly condemns” Friday's attack by Israeli forces on Palestinian worshippers. “Turkey will continue to support the just cause of the Palestinian people,” it said. Turkish Foreign Minister Mevlut Cavusoglu as well as presidential spokesman Ibrahim took to Twitter denouncing Israel's “inhumane” targeting of “innocents praying during Holy Ramadan.” In his tweet, Kalin demanded that “Israeli occupation forces... must leave al-Aqsa mosque immediately.”

The foreign ministries of Pakistan, Qatar, Kuwait, Egypt, Lebanon, Iran and Tunisia also issued statements denouncing Israel's attack on Al Aqsa Mosque targeting worshippers. They demanded immediate halt to such attacks by Zionist occupation forces.

Egypt's al-Azhar University, the highest seat of

Sunni Muslim learning, condemned the “brutal Zionist terrorism in the light of shameful international silence” toward what is going on in al-Quds (Jerusalem). The Islamic Union for Muslim Scholars (IUMS) hailed the steadfastness of Palestinians in al-Quds in the face of Israeli aggression and plans to displace them from their homes. The South African BDS Coalition issued a statement today condemning “Israeli state terrorism at Al Aqsa Mosque and forced removals from Jerusalem” [Al-Quds].

Yet, Western media and governments referred to Zionist attacks on worshippers inside Al Aqsa Mosque as “clashes”. Did Palestinian worshippers come out of the mosque while they were engaged in prayers to attack the heavily-armed Zionist thugs or the thugs barged inside the mosque with their filthy boots and attacked worshippers?

Western regimes and media are complicit in Israeli crimes and will be held accountable. The bottom line is that it all fits into The Yinon Plan, The Zionist Plan for the Middle East, a plan to expand Israel’s territorial claims and dominate the region as a Jewish state under “God”. Rabbi Fischmann was a member of the Jewish Agency for Palestine who openly declared in his testimony to the United Nations Special Committee of Enquiry on July 9th, 1947 that “the Promised Land extends from the River of Egypt up to the Euphrates, it includes parts of Syria and Lebanon.” Israel can initiate another false-flag operation so that they can blame Muslim countries and force the US into another unwinnable war in the Middle East. Muslims must beware and supplicate for the succor of Allah (SWT) against their enemy.

We Muslims have been told repeatedly in the Holy Book as well as in the sayings of the Prophet (SAAW) that the only deterrent in real terms for us resides in clinging to the fundamental principles of Islam – like a leech, if you will – both at the individual as well as the collective level. Make no mistake that showing fortitude in an apparently ‘hopeless’ situation has never been a stroll in the park. History testifies that the process is strenuous, requires a remarkable degree of patience with faith and demands enormous sacrifice. The outcome, however, has been made abundantly clear by the Lord of the Worlds (SWT) that inevitably, the Truth is bound to be triumphant over all rivals. Period.

In Sha Allah!

Press Releases issued by Tanzeem-e-Islami

Date: 12 May 2021

Lahore (PR): “Protecting and defending the Palestinians is the Deeni (religious) obligation of the Muslim Ummah.”

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement. He declared that devoid of any universal human moral code, the mass murder (genocide) that is being perpetrated by the Zionist state of Israel by brutally attacking the homes, lands and villages of Palestinians, as well as on Palestinian Muslims worshipping in the al-Aqsa mosque is vehemently condemnable. He questioned the West that why are those Western organizations which protect the rights of animals sinisterly silent today when the blood of innocent human beings is being spilt with such atrocious callousness? He lamented that if the Muslim states do not unite to practically take actions to protect and defend the Palestinians even under the current circumstances, then they would be better off being six feet under! He asserted that the behavior of being silent spectators to the vicious massacre of our Deeni (religious) brethren is a matter of great disgrace and shame. The Ameer urged all Muslim countries to rid themselves of petty differences and unite in order to throw down the gauntlet with absolute resolve to Israel. Almighty Allah (SWT) will certainly provide them with His (SWT) benevolence and succor. The Ameer concluded by affirming that the oppressor always proves to be a coward and would not be able to meet the challenge of engaging the Muslims brimming with a passionate want and state of Jihad.

Date: 09 May 2021

Lahore (PR): “Israeli attack on worshippers in the Al-Aqsa Mosque is the worst kind of state terrorism.”

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement. The Ameer noted that ever since the Jews have illegally seized and occupied Palestine, they have been perpetrating oppression and brutalities against the Palestinian Muslims. The Zionist state has demonstrated appalling monstrosity and cruelty by attacking those offering Taraweeh prayers in Al-Aqsa Mosque during the Holy month of Ramadan. The Ameer said that the Israeli Occupation Forces have given a clear message to the entire world by seriously wounding more than 200 innocent and helpless Palestinian Muslims in a pre-planned operation in the Holy Land and East Jerusalem that they are willing to go to any horrendous length to carry out the genocide of Palestinian Muslims. The Ameer of Tanzeem-e-Islami lamented that the fact of the matter is that while Israel has crossed all limits in its enmity towards Islam, it is extremely regrettable that Muslim states still appear to be ready to ‘improve relations’ with the same illegitimate Zionist entity that is actively engaged in state terrorism against the Palestinian Muslims. He asserted that all Muslim state ought to have realized by now that Israel will never be a friend of the Muslims. The Ameer concluded by emphasizing that all Muslim countries must unify in totally boycotting and sanctioning the Zionist state of Israel in order to force it into isolation.

**Press Releases issued by Tanzeem-e-Islami****Date: 12 May 2021****Lahore (PR): “The US is responsible for the deteriorating situation of peace and stability in Afghanistan.”**

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement. The Ameer noted that due to the typical obstinacy, arrogance and conceit of the US, all efforts of bringing peace in Afghanistan have been sabotaged. The US is still adamant that it had occupied Afghanistan in order to ‘bring peace’, yet the reality is that all these narratives are fake and the US is extending and proliferating murder and slaughter not only in Afghanistan but over the entire region. The Ameer remarked that the US was required to completely withdraw all of its troops from Afghanistan by 1 May 2021, according to the Afghan Peace Agreement, yet the actions of USA were making it clear from the very onset that it was present in Afghanistan not for peace but in order to fulfill its nefarious designs and USA is now playing with the peace and stability of our entire region in order to fulfill its agenda. He said that if the war and chaos in Afghanistan perpetuated and proliferated then it would have impact over the entire region, and in particular, its effects on Pakistan would be extremely devastating. Therefore, it would be very prudent for the political and military leaderships of Pakistan to completely support the demands of the Afghan Taliban viz., the illegal occupation forces, which are the real reason for this entire mess, must leave Afghanistan immediately and Afghanistan ought to be given the space to settle its own problems without any outside influence whatsoever.

Date: 03 May 2021**Lahore (PR): “The resolution passed by the European Parliament against Pakistan is a manifest display of religious intolerance by the West itself.”**

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement. The Ameer noted that the demand made in the resolution that Pakistan revoke its blasphemy laws is a blatant interference in the internal matters of Pakistan, on the one hand, while it has also exposed the real spiteful face of the West bursting with enmity against Islam, on the other. He said that the manner in which the publishing and displaying of blasphemous caricatures under the official patronage and sponsorship of France has been protected and the protests in response to that in Pakistan have been vilified in this resolution passed by the European Parliament, is, indeed, a matter of grave concern. He said that the contents and context of the said resolution has established beyond doubt that the West uses trade and economic agreements and provisions such as GSP+ for blackmailing other countries. He lamented that Islamophobia in the West has reached a radically critical level, due to which anti-Islamic laws and resolutions, attacks on Muslims, defiling of Mosques and slandering of the other symbols of Islam have become common practice, and deplorably, it is officially and publicly ignored by design. He criticized that these pseudo ‘champions’ and ‘torchbearers’ of human rights, minorities rights, religious freedom and freedom of expression deliberately turn a blind eye to the atrocious sacrilege of the life, property and dignity of Muslims occurring in Israel, India and the US. The Ameer of Tanzeem-e-Islami concluded by stating that although the government of Pakistan has dismissed this resolution and called it disappointing, yet the real need of the hour is for Pakistan to candidly state its viewpoint on such repulsive resolutions and by acting as an advance guard for the protection of the honor of the Holy Prophet (SAAW), activate other Muslim states for this noble cause too, so that the European Parliament, which is a personification of religious extremism, could be given a staunch and robust response.

Date: 30 April 2021**Lahore (PR): “We ought to supplicate to Allah (SWT) as well as take medicinal precautions in order to protect ourselves from the Coronavirus pandemic.”**

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement. The Ameer noted that although the cases of coronavirus are rapidly increasing in Pakistan, however, with the mercy and grace of Allah (SWT), things have not gotten out of control, whereas, the situation has gotten out of control in neighboring India and its entire apparatus of health and related services has crumbled, which makes it imperative for us in Pakistan to remain extremely vigilant and cautious. He remarked that global pandemics of this nature are either a wrath of Allah (SWT) for our transgressions or a trial and test of humans by Allah (SWT). The Ameer of Tanzeem-e-Islami stated that the brazen nature and array of wrongdoings and sins committed by today’s man has resulted in widespread corruption in the land and seas, and in the light of that, this global pandemic appears to be the wrath of Allah (SWT). The Ameer asserted that time has still not run out on us to revert towards the Right Path of Allah (SWT), implore for His (SWT) forgiveness of our sins in the past and adopt total and unconditional servitude of Allah (SWT) in our lives in the future. He said that if we do not seek absolution even now and do not revert to the edicts and commandments of Allah (SWT), then the rebellious world could well be completely engulfed by the wrath of Allah (SWT). Therefore, the Ameer concluded by emphasizing, all and sundry need to absolutely submit to Allah (SWT), seek His (SWT) forgiveness for our sins and make a staunch resolution to follow the Right Path in the future, so that we could attain the pleasure of Almighty Allah (SWT).
