Lahore (PR): “The Afghan Taliban have become victorious due to their strong faith and unwavering belief in Allah (SWT).”

This was said by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement. The Ameer remarked that the miracle has occurred in the twenty-first century that the ‘mighty’ NATO forces led by the US and equipped to the teeth with the latest technology and the most powerful weaponry have been forced to kneel before the ill-equipped Afghan Taliban. The Afghan Taliban, belonging to the ‘underdeveloped’ country of Afghanistan have totally humiliated and annihilated the so-called ‘developed’ nations of the West. The supreme power of the world (USA) is licking its wounds, hiding its face in shame, trying to give ridiculous explanations for its routing and trying to put the blame of its trouncing on the neighboring countries of Afghanistan. He remarked that the 20-year struggle of the Afghan Taliban has proved that if a nation wages a mighty struggle in the way of Allah (SWT) for enforcing the Deen of Allah (SWT), then the succor Allah (SWT) arrives and no matter how big a malevolent power confronts that nation, Allah (SWT) bestows on the believers a clear and manifest victory. The Ameer emphasized that the government of Pakistan ought to recognize the Islamic Emirates of Afghanistan immediately, without any reservations and conditions, and provide them with full support. He concluded by asserting that Pakistan should provide all form of assistance and support, as invited by the Afghan Taliban, in order to help them become a stable and robust Islamic state.
