TANZEEM-E-ISLAMI

PRESS RELEASE: 16 April 2022

"Israeli attack on worshippers in the Al-Aqsa Mosque is the worst kind of state terrorism."

Lahore (PR): "Israeli attack on worshippers in the Al-Aqsa Mosque is the worst kind of state terrorism."

This was said by the Ameer of Tanzeem-e-Islami, Shujauddin Shaikh, in a statement. The Ameer noted that ever since the Zionists have illegally seized and occupied Palestine, they have been perpetrating oppression and brutalities against the Palestinian Muslims. The Zionist state has demonstrated appalling monstrosity and cruelty by attacking those offering Tahajud prayers in Al-Aqsa Mosque during the Holy month of Ramadan. The Ameer said that the Israeli Occupation Forces have given a clear message to the entire world by seriously wounding more than 150 innocent and helpless Palestinian Muslims in a pre-planned operation in the Holy Land that they are willing to go to any horrendous length to carry out the genocide of Palestinian Muslims. The Ameer of Tanzeem-e-Islami lamented that the fact of the matter is that while Israel has crossed all limits in its enmity towards Islam, it is extremely regrettable that Muslim states still appear to be ready to 'improve relations' with the illegitimate Zionist entity. The Ameer concluded by emphasizing that all Muslim countries must unify in totally boycotting and sanctioning the Zionist state of Israel in order to force it into isolation.
